The room has a unique and welcoming 60 m² space with a delicate contemporanean Mediterranean décor. The bedroom is integrated with a comfortable living room area. Its cool Egyptian marble floors give way to an intimate terrace where one can enjoy the nuances of the colours and aromas rising from our hotel's botanical gardens or beautiful views of the Mediterranean Sea. The whole experience is completed with a large bathroom with Persian stone walls, richly decorated with Tunisian mosaics, and a separate shower and bathtub.
